This landmark land championship golf course previewed in the first quarter of the year to great acclaim, provides terrific challenges for the more experienced golfers, as well as forgiving wide fairways for those just playing for relaxation. Carved into the naturally beautiful landscape which combines rolling meadows, tropical forest and coral stone quarries, and with the company of the local green monkeys along the way, the Apes Hill course is already one of the best golf courses on Barbados.

The Apes Hill Club also provides some of the most luxurious property in the Caribbean with its new developments of high end villas built. Eight distinctive hamlets, each named after an original plantation field from the 17th century, spread over 470 acres of prime land. You can

Along with the 24-hour security, and the outstanding concierge service, Apes Hill has teamed up with the prestigious Wentworth Club of Virginia Water in Surrey, and this union guarantees that levels of service throughout Apes Hill match those of Wentworth.

On completion, the Clubhouse will offer formal and informal dining, the spa will provide the ultimate in pampering while the fitness centre will allow members to keep up their fitness levels as they relax and enjoy their luxury home in one of the most breathtaking situations in the Caribbean.
